# United Methodist Church Bemidji, MN

Good Afternoon from the Office,

I hope you enjoyed your weekend. It’s starting to feel a little normal with in-person worship returning.

Our first Sunday, April 25, 2021 we had 42 attend live worship.

Yesterday, Sunday, May 2, 2021 we had 34 attend with 6 new faces that were not there the first week. 😊

Now that Bishop Bard has moved the dial ahead to yellow, it has loosened a few of the restrictions. Trustees meet on May 11, 2021 and will begin talking about how the church should re-open to the public.

The Yellow Phase allows in-person worship with up to whatever number of people your space can accommodate with at least six feet between each family unit. Everyone must be masked. All congregations are encouraged to continue holding online worship (even if you also do in-person).

For those that are not able to attend in-person worship on Sundays, Pastor Rob and Pastor Michelle, bring you worship service every Sunday at 7am, streamed on YouTube and Facebook.
